

Dominik Krystul

Lucerne, Switzerland (exchange) • dominikkrystul@gmail.com • dominikkrystul.com • LinkedIn • GitHub

Third-year HBO-ICT Software Engineering student seeking an internship after the exchange semester to deepen Java, Agile/DevOps, and cloud-native skills.

Technical Skills

Programming	Java, TypeScript, JavaScript, Python
Frameworks & data	Spring Boot, Vue.js, Node.js, MySQL, Qdrant
Tools & practices	Maven, Docker, Git, CI/CD, Agile, Scrum; interested in OpenShift
Languages	Dutch, English

Projects

AI Tutor — RAG-based learning assistant

- Built a retrieval pipeline that chunks teacher-uploaded PDFs, creates embeddings, and retrieves relevant Qdrant context for LLM-generated answers.
- Connected MySQL metadata to responses so students can see the source document and relevant page numbers.
- Set up the Git workflow from feature branches through dev to main, with CI checks before deployment.

StemWijs — Dutch election education platform

- Developed a platform that helps young people explore Dutch elections, parties, and official election results.
- Built a Java and Spring Boot XML transformer for final results and cached the output for the homepage chart.
- Built the homepage and account-verification flow, and set up CI/CD from feature branches through tst to tested production deployment on main.

Education

Amsterdam University of Applied Sciences

HBO-ICT, Software Engineering

Third-year student; propedeutic diploma completed in 2025.

Relevant Coursework: HTML, CSS, TypeScript, Java, Vue.js, software testing

Amsterdam

2024 - Present

Lucerne University of Applied Sciences and Arts

Exchange Semester (current) Sep 2026 - Feb 2027

Current coursework: Philosophy, Art and AI; ERP Systems; Natural Language Processing; Blockchain

Lucerne

Baken Park Lyceum

Science and Engineering track, including mathematics and science subjects.

Almere

2019 - 2024

Work Experience

DHL eCommerce

Driver

Almere

Mar 2025 - Present

- Deliver parcels, coordinate daily routes with the team, and handle customer contact safely.

Interests: 8-Ball pool, fitness, exploring new places, such as nature and mountain landscapes
